

# Board Snapshot

*R.E. Larkin*

## **Years Service as a director**

*20 years*

## **Personal and farming (career) information**

*Started farming in 1978*

## **Thoughts/Vision of the current state and future of Agriculture**

Volatility will continue in cycles

## **Thoughts/Vision of the future of Northern Partners Coop**

*We need to keep excellent P.R. with customers current and new, growth in the company footprint as well as in the current territory. We also need to be ready for the volatility cycles.*
