

## **Board and Management Profiles**

### **Name**

*Tyler Meloy – Grain Originator*

### **Years Service**

*18 years in the grain business*

### **Personal or farming (career) information you'd like to share**

*Partner in 1600 acre corn and soybean farm*

### **Thoughts/Vision of the current state and future of Agriculture**

*Farming in the future will consist of large farmers who can show returns to landowners.  
Landowners are transitioning from old to young and also to investors.*

### **Thoughts/Vision of the future of Northern Partners Coop**

*I see Northern Partners as the premier cooperative for service and information to farmers in  
North Central Illinois.*
